trained cell, a demonstration's placement re-created
trained cell, placed freely in the cell
the same, start position from a still (trial not filmed)
held-out cell, interior (B2, D2)
held-out cell, corner (A1, E3)
success rate in the bin, 95 % Wilson interval
success (1)
failure (0)
trial 28 (B2)
19/19
no trials between
5.6 and 31.0 mm
